Letter from the outgoing President:

When I first heard that I was going to be the president when it was Arkansas' turn to host conclave I was overwhelmed to say the least. I first joined the club three years ago and had never even thought about throwing an axe or chopping a log in half ever in my life. I am so blessed to have been able to make the friends that I made and the fun skills that I have learned while being in this club and that is the real purpose of a club and I could not have asked to be a part of a better one than at the University of Arkansas at Monticello. The Forestry Club here has a very strong heritage and legacy that reaches back to the 1950s. UAM Forestry Club is still the most winningest club in Conclave history and I wanted to make sure that we represented well when we hosted and had numerous of our alum come back and supports us.

We had the honor of hosting 13 schools and 252 total attendees that we needed to take care of. When it came to providing trash bins, porta potties, food, and drinks it would not have been possible to put on this kind of event without the incredible support that we have for our small town school. Shout out to the Wilson Brothers Sawmill out of Rison, AR for providing all of the wood that we needed plus some so that we could make sure that every team had wood they could practice on. They were even willing to deliver it to the site and we are very thankful they were willing to do that for us. A huge thank you to Mr. Stacy Wilson our forest manager here at UAM for all he did in order to make this event a success. He went out of his way to cut all of our pole fell poles and climbing poles down, take them to the site, dig the holes and place them into the holes for us. He was even able to provide us a flatbed for the band that we had for the last day and that was a huge hit. Hint Georgia 😊. I want to thank our advisor Dr. Sims for really taking the lead with the organizing and planning for this event. She showed up here at UAM and was immediately excited and willing to help us with planning and getting everything together and we cannot thank her enough for her support. I finally want to thank LA Tech and SFA for showing up early and helping out with whatever we needed them for and that was much appreciated.

Needless to say, I thought this was the best-for-last Conclave that I have attended. I could not have imagined it going any better than it did and I am thankful that I got to experience hosting something like this because the opportunity only comes around every 14 years. I am looking forward to it in 2040 when UAM hosts again and I get to be an alum that gets to come watch and cheer on the club that I love so much.

Tate R. Tanner
Outgoing UAM Forestry Club President

Note from the Conclave Chair/Incoming President:

Thank you to all our sponsors, attendees, spectators, and alumni that made this conclave as great as it was. Hosting conclave was a daunting task from the very start, but with the overwhelming support of our community we made it happen. Over the past year I have watched our club go through a transformation from a disorganized club that was hard to motivate, to a group of hard-working members that aren't afraid to put in extra work where it counts. I couldn't be prouder of my fellow club members, and I look forward to serving as president for the next year.

A handwritten signature in cursive script that reads "David Coussens".

David Coussens
Incoming UAM Forestry Club President/Outgoing Conclave Chair

Letter from the Advisor:

Hosting conclave is definitely in my top 10 of accomplishments I am the most proud of, up there with raising my daughter, passing my orals, helping to complete the new Arkansas Forest Health Research Center and writing my first published paper, but like all things, I did not do it on my own. I am very appreciative that UAM allowed me the opportunity, it is an experience I will never forget. I was truly super blessed with, a stellar crew of UAM Forestry Club officers: David Coussens from Little Rock, Jacob Moorman from Siloam Springs, Tate Tanner from Maumelle, Hannah Hopson from El Dorado and Marce Arande from Hope, to achieve such a great accomplishment hosting and also taking home third. These guys and gals are going to leave here and accomplish amazing things. Many thanks to the Diesel Academy instructors, and Gary Lucas. Conclave would not have happened without all of the cants from the Wilson Brothers. Amazing, amazing support from sponsors (please see sponsor page), forestry industry, alumni, and the phenomenally supportive Monticello community and SE Arkansas community. Many thanks to Mr. Stacy Wilson, UAM Forest Manager, and Dr. Lynne Thompson, Professor Emeritus. Thanks to Tammy Cushing, UFL, for doing all the math. Thanks to Troy Bowman, for the word copy of the 2025 Southern Forester. Many thanks to LA Tech for the pre-run in 2023 and to Chris Denicola and Aaron Buffington for coming up early to help out. Much appreciation goes to the eleven SFA Sylvas that came up early to assist, Dr. Stovall and Trent Kline for rounding them up and organizing them.

I think Monticello, Arkansas is built for Forestry Club spirit and conclave and I hope y'all felt it while you were here! University of Arkansas at Monticello has more wins on the books than any other school in conclave history, and a long history in the ASFC as a Charter member going back to 1958. Without a first place since 2011, and since 2019 to even be in the top three, we had challenges. Due to the history of rowdiness of the club in the past, the journey was difficult there were hurdles and mountains we had to climb. However, the club in recent times has gone from 11th, to 8th to 6th last year and to 3rd this year, producing the highest win for UAM FC since pre-Covid when in 2019 we got second. Was it worth it? I think so. Monticello is now on the books with having ASFC Conclave 67 as its home and I am so glad y'all got to be here for it. I hope the spirit of sportsmanship is allowed to stay in its rightful place, right here on UAM campus in Monticello, AR, and I hope y'all took some home with you too.

Conclave 2026 sprang forth March 19th and it is now done and on the books. It was wonderful to see, with all the preparation and assistance how much of conclave 2026 ran itself. I hope everyone had a great time, safe travels home, and I look forward to seeing y'all that are not graduating in Georgia next year!

Laura Lee Sims, PhD
